Re acquisition of ugly looking properties in front of the Binny Mills.

Adverting to Chief Secretary's letter No L 522 dated 10-7-37 and your No L 3598/L1 64-37 dated 13-10-37 on the above subject, I have the honour to state as follows -

The extent of the area inclusive of the buildings thereon is 10,570 square yards The materials used for the buildings are mostly wire cut brick and teak The owner of the property is now realising a rent of Rs 170/- and the cost, on the basis of this, will be Rs 28,333/- This area is not of any use to anyone, other than the Mill people, as its proximity to the goods yard and the Mills makes it useless for residential quarters

But considering the condition of the buildings, some of which are untenented, and the usefulness of the area for the Binny people, I think that a lumpsum award of Rs 33,500/- would be fair compensation for the property in question

I request to be informed if the Government approve of this acquisition, so that I may take further action in the matter

Plans in duplicate are enclosed for favour of perusal
